

# Earth Day Art Contest 2014

## CALLING ALL ARTISTS

We invite you to participate in an Art Contest in honor of Earth Day 2014 under the theme "Green Cities"

This year's theme for Earth Day is focused on promoting green cities. What would you like to see done in your communities to improve quality of life and the environment?

Contestants are asked to submit artwork that highlights a problem and solution to an environmental issue in your community.

Artwork should be 13" x 19" or less. It can be a drawing, painting, sketch, etc.

We will have three competition categories – junior (age 5-12), youth (age 13-17), and adult (age 18 and older). Winners in each category will have their work turned into a poster and displayed in the community.

Please drop off your submissions to the U.S. Embassy on Floriana Street, Belmopan or at the Belize National Library on Princess Margaret Drive in Belize City. Email [BelmopanPA@state.gov](mailto:BelmopanPA@state.gov) with questions.

Good luck!

## DEADLINE: APRIL 15, 2014
